

# Own A Branch Office

## Help Create A Financially Healthier Community

### BACKGROUND

Our 501(c)(3) non-profit has received a Grant with three (3) related mandates:

1. Improve financial literacy;
2. Provide free Shelf Corps to entrepreneurs; and
3. Facilitate \$100k+ to small business owners in each community to start, grow, or buy a business.

To better accommodate our market penetration in each community, we are opening local "Branch Offices" in each county of each state across the nation.

Our Branch Office model is built off our personal experience working for the SBA through local SBDC offices. For the first time, this successful model is being offered to entrepreneurs to own and operate.

As the owner of a Branch Office, you'll be at the nucleus of entrepreneurialism in your community by increasing financial literacy and access to capital. You manage the P&L and keep 100% of the profits.

### BRANCH OFFICE HIGHLIGHTS

- **Be a Problem Solver.** You'll assist entrepreneurs with having a fundable business, better credit, \$100k+ in funding, daily bank deposits, business plans/financial projections, commercial address and much more through a free Express Shelf Corp.
- **Geographic exclusivity.** Just one Branch Office per county so you'll have no competition.
- **Turn-key business model.** Ready to start making money day one (six figures per month projected/anticipated).
- **Expanded support and training.** Enjoy daily training and support. Branch Office owners also receive free in-person training (travel costs not included).
- **Easy to implement.** We serve as your "back office" and handle all client processing while you focus on community outreach and client relationship management.
- **Free leads.** No longer worry about finding clients to work with. Instead, you'll receive referrals from local bankers and other key influencers.
- Receive a **free landing page** with drip marketing.
- **\$100,000+ Branch Office start-up allowance.** Funds for payroll, marketing, office expenses, company car, etc.

### BRANCH OFFICE COMPENSATION MODEL

Branch Offices operate independent business units through a licensure\* arrangement (not a restrictive franchise). The compensation model is designed to generate a minimum of \$100,000 per month/\$1.2M annually to the Branch Office but can be considerably more based upon your leadership and implementation.

Compensation plan specifics:

- **Upfront income:** Branch Offices determine the processing fee generated from each Grant participant.
  - Most Branch Offices will charge a \$999.99 processing fee per Grant participant.
- **Passive income:** Branch Offices earn 5% of each Grant participant's capital raise.
  - The minimum Grant participant capital raise is \$100,000 generating at least another \$5k to the Branch Office.
  - However, with a \$1M capital raise, the Branch earns an extra \$50,000 per Grant participant.

\*Open a Branch Office for as little as a \$1,000 deposit on your license.
